New company structure

From the 1st July 2012, Blasting Geomechanics Pty Ltd will be operating as a standalone consulting firm. To date Blasting Geomechanics has been the technical consulting arm of TNL Consultants. In an effort to simplify TNL's Thrivability Training & Coaching the Director feels the time is right to progress this development.

New Offerings

Blasting Geomechanics Pty Ltd will be consulting in the areas of blasting geomechanics, blast management services and, training and seminars. The offerings are as depicted below:

Services

Technical consulting
 Training & seminars
 Management services

Feedback welcome

The Director, Trevor N Little, of Blasting Geomechanics Pty Ltd welcomes any feedback or discussion of any kind related to this new business venture.
