INFORMAL REPORT ON FRAGBLAST 11 SYMPOSIUM

		<p>11th International Symposium on Rock Fragmentation by Blasting FRAGBLAST 11 24-26 August 2015 Sydney, New South Wales</p>	
 <p>Trevor Little (BGPL) FB11 Co-chair</p>	 <p>Dr Dane Blair (BGPL) Keynote speaker</p>	 <p>Dr Alex Spathis FB11 Co-chair</p>	 <p>Fragblast 11 Proceeding 828 pages</p>

Fragblast 11 has special significance for Blasting Geomechanics Pty Ltd as the Director was the co-chair of the conference.

The key outcomes of the conference include:

- Co-chairs and the National and International organising committees, and the reviewers were acknowledged and thanked for all their hard work. International feedback was very positive.
- 300 attendees had an opportunity to have worthwhile social and learning experiences
- AusIMM hosted another successful International Conference and published the 828 page proceedings (see insert above). They also made some money\$
- Six speakers were honoured by being invited to deliver keynote addresses
- Sponsor – Platinum, Gold and Other levels were repeatedly acknowledged
- Proceedings were edited by a four person team and contained 91 papers
- Authors and presenters gained additional experience and exposure
- Co-operation occurred between AusIMM, ISEE and EFEE
- Workshops – four additional learning opportunities including the 2nd IBGW (see BGNL_7).
